ANNUAL GENERAL MEETING (AGM) 21st NOVEMBER - the AGM of Fairlands Valley Spartans will be held on **Wednesday 21st November 2012 at Marriotts School, 7.15pm**. The AGM is to consider amendments to the constitution and to vote in the Committee for next year. There are plenty of opportunities to join the Committee. If you would like to stand for election, or are interested in finding out more, please talk to any of the current committee <http://www.fvspartans.org.uk/club/committee/>. Some of the current committee will be standing down at this meeting and therefore it is important to involve more people to make this club remain as successful as it is and help FVS regain its status as "Britain's Best Running Club". Other important positions elected at this meeting are the team captains.

In addition, life members are agreed at the AGM. Nominations for these must be submitted by 23rd October for consideration by the Committee prior to the AGM as outlined in the Club Constitution and Rules <http://www.fvspartans.org.uk/club-constitution-and-rules/> .

If you have any proposals for amendments to the Constitution or Rules of the Club, these must be sent to the General Secretary in writing by 31st October 2012 at the latest. Proposals sent after this date will not be considered. Only first claim adult members who have paid their subscription for this year may submit amendments, stand for the committee and vote at this election.

VIRGIN LONDON MARATHON 2013 – the results of the ballot are out and members are making plans!!! For many, unfortunately, that does not include running the VLM. However, do not be premature!! Firstly, we will be holding our own ballot for the club places in the VLM at our Christmas party (December!). For those that did not get a place from the ballot draw and are paid up members of the club, you can choose to enter the club ballot. Please let Roger Biggs know if you would like to do this. We are also beginning to pull the list together for those that would like to help on the baggage lorries at the 2013 VLM. Helping on the baggage gives you the opportunity to go into an extra ballot for places in the 2014 VLM and is also a really great day out at the event (there is some work involved for a shortish period of time before you can watch all of the runners coming through the finish areas, including all the Spartans!) If you would like to do this please let Roger Biggs know. Roger can be contacted on roger@thebiggs.net **Get in quick, places for the baggage lorries fill up fast!**

....What's On This Week...

Saturday 20th October

9.15 – Track Session. 2-3 x (4x200m/30 seconds)/5 minutes

The session consists of running a set of 4x200m efforts with 30 second recoveries between each effort. A 5 minute recovery is then taken before repeating the set again. A final set is then run after another 5 minute recovery.

The session focuses on your running technique at this faster pace (remembering that speed is all relative and not absolute!). Your aim is to focus on good technique when running over these shorter efforts. This includes considering the way in which you use your arms, leg lift, the position of your legs on the return phase of the running cycle (e.g. flicking the heels under) and the contact of your feet with the track. There are many other points in your technique that can also be considered.

9.30 – Angels run – Steady 6 miles, Manton Road, 9-25 a. m. for 9-30 a.m. start.

Details here: http://www.fvspartans.org.uk/ai1ec_event/ossies-angels-25/?instance_id=2780

10.30 – Cross Training/Fat Burning Session at Ridlins

Andy Prior is currently running a series of sessions that incorporate cross training/fat burning training techniques. He is holding the sessions at Ridlins Stadium on Saturday mornings at 10:30am (all weather conditions 😊). The sessions are designed to burn fat, not improve aerobic fitness.

This form of cross training will help runners across a range of objectives.

Sunday 21st October

Group C – 6 to 8 mile training run

Lisa J. will be leading out a 6-8 mile run this Sunday. Starting from the Meadway car park, at 8:30am prompt (be there by 8:20 am please) the run will be off road for the popular Knebworth Park run, and could be muddy, so don't wear your best trainers! This is a continuous run and the group runs at a pace slower than 10 min/mile with regular re-grouping. For those running at a quicker pace, you should expect to cover an additional 10-30% more mileage through the re-grouping. The main run will be 6 miles, but there will be a middle additional 2 mile loop for those that want to do extra.

Please arrive promptly at Marriotts School ready to complete your warm up and make your way to the race start. Alternatively you can go to the race start directly but ensure that you have warmed up appropriately. In either case, please ensure that you have let Paul Holgate know of your intention to run. It is helpful if you can do this ahead of the race so that Paul has chance to refine the starting list and the start will then be as smooth as possible.
